

# When We Were Young

Auryn

Remember the days when  
We were the heroes  
Singing our favorite songs  
We fell into pieces  
Nothing to break us  
Nights went on and on  
Life went on and on

Memories are fading  
They were sacred  
Back when we were young  
Back when we were young

When we were young  
When we were young  
Even thought we had it all  
It went away  
When we were young  
But we got lost

We got lost

Didn't swim in the main stream  
Created our own dreams  
What a difference a day can make

The bonds are gone now  
Gone forever  
Still I wonder where you are  
Life went on and on

When we were young  
When we were young  
Even thought we had it all  
It went away  
When we were young  
But we got lost  
We got lost

Even thought we had it all  
It went away  
We got lost  
Lost
