

Sea So Blue

Austin Basham

I never know what to say to you
And I don't know if I'll ever get through
Lord, though our rope will sink back to me
My idleness is hungry

You know I wanna get back to that home
Where I was gonna see you again
But maybe we're going alone
I don't know if it ever returns

But I need truth
What's a stead stone to do?
I needed you
Drowning here in a sea so blue
