

Why God

Austin French

Why God
Do people have to die
A daughter or a son
Sudden and so young
Long before their time?

Why God
Do people fall apart
A promise and a ring
Becomes a broken thing
A road that got too hard?

I don't understand
But I understand

Why God I need You
It's why God I run to Your arms
Over and over again
It's why God I cling to Your love
And hold on for dear life
And I find You are right by my side

Why God
Do we feel so alone?
Every single day
Fighting through the pain
Hoping there is hope

I don't understand
But I understand

Why God I need You
It's why God I run to Your arms
Over and over again
It's why God I cling to Your love
And hold on for dear life
And I find You are right by my side, ooh...

Give me a faith stronger than I have
I need to know when it hurts this bad
That You hold my heart when it breaks
And I'm not alone in this place

That's why God I need You
Why God I run to Your arms
Over and over again
It's why God I cling to Your love
And hold on for dear life
And I find You are right by my side
Always right by my side
Even here in the why... God
