

Wide Open

Austin French

Plans, I've been the fool, thought my plans
Were so much bigger, so much better than Yours
Pride, the only place pride ever got me
Was face to face with another slamming door

(Whoa) Don't wanna reach the end of my life and find that I missed it
(Whoa) Don't wanna wait till it's too late for me to start living
Gonna light a match to all my dreams
Lord, all I want is all You want for me

I'm wide open
Here I am, send me where You want me to go
I'm wide open
I surrender all to You, my heart and my soul

I'm wide, wide, wide open
Wide, wide, wide open

The future looks brighter than it's ever been
Now that I have fixed my eyes on You
Now anything, anything is possible
In Your hands, there's nothing I can't do

(Whoa) Don't wanna reach the end of my life and find that I missed it
(Whoa) Don't wanna wait till it's too late for me to start living
Gonna light a match to all my dreams
Lord, all I want is all You want for me

I'm wide open
Here I am, send me where You want me to go
I'm wide open
I surrender all to You, my heart and my soul

I'm wide, wide, wide open
Wide, wide, wide open
Wide, wide, wide open
Wide, wide, wide open

When You lay me down
When the road runs out
Won't be the end for me (Not the end)
I see eternity
When You revive the clouds
I'll hear the trumpets sound
My faith will finally see
The hope and the future that You promised me

I'm wide open
Here I am, send me where You want me to go
I'm wide open
I surrender all to You, my heart and my soul

I'm wide, wide, wide open
Wide, wide, wide open
Wide, wide, wide open
Wide, wide, wide open
