

Truth Is A Gun

Austin George

Who she was I remember
Just a glimpse of a savior
She felt like home
The 214
Now she dance like a stranger
And I know that the ends in sight
I feel it close
That's how it goes

The truth is a gun and I don't want to face it tonight
Oh I'm feeling your love
Slip away
Slip away
Babe don't tell me it's all
Gone to waste
Gone to waste
The truth is a gun and you use it whenever you like
Oh I'm feeling your love
Slip away
Slip away
Don't tell me it's all
Gone to waste
Gone to waste

I saw the old you walk though the corridor
Oh the way it was
Saying that's my baby
Same brown eyes I'd be dying for
Hit like a 44'
And I'm shot down every night
In the city we first tried
But I know your not the same now I
See the ending
In your eyes

The truth is a gun and I don't want to face it tonight
Oh I'm feeling your love
Slip away
Slip away
Babe don't tell me it's all
Gone to waste
Gone to waste
The truth is a gun and you use it whenever you like
Oh I'm feeling your love
Slip away
Slip away
Don't tell me it's all
Gone to waste
Gone to waste

Don't you tell me
It's a long life
As the days fly
It's the past now that we belong to
I'll hold on tight
And I don't want to know that it's changed

The truth is a gun and I don't want to face it tonight
Oh I'm feeling your love
Slip away
Slip away
Babe don't tell me it's all
Gone to waste
Gone to waste
The truth is a gun and you use it whenever you like
Oh I'm feeling your love
Slip away
Slip away
Don't tell me it's all
Gone to waste
Gone to waste
