

# Yesterday

Austin George

I see you as a phone-a-friend  
'Cause acting like I'm better now, is a full time job  
I saw you out again  
And then I lost my appetite, for the next five months

And I tried to buy  
Some peace of mind, they ran out at the store  
You loved me right then ran me dry  
And left me wanting more

I dreamt of you eight times this week  
Guess I just miss your company  
'Cause time goes by the seasons change  
But I'm still stuck in yesterday

And she ran like California rain  
Got money from her name  
Can't buy her out  
And I'm outside wantin' spare change  
But she don't like the change  
So I watch her drive by

And I tried to buy  
Some peace of mind, they ran out at the store  
You loved me right then ran me dry  
And left me wanting more

I dreamt of you eight times this week  
Guess I just miss your company  
'Cause time goes by the seasons change  
But I'm still stuck in yesterday

You left me there, with love to spare  
My needs they always came second  
The calls got lost, my days got long  
My head it won't slow down

I dreamt of you eight times this week  
Guess I just miss your company  
'Cause time goes by the seasons change  
But I'm still stuck in yesterday
