

Am I

Austin Giorgio

Am I
Enough to make your mama proud
Am I
Enough for you to keep around
I never been in a situation like this
Where I
Feel love in a goodbye kiss
But if I'm being honest
I run from love
Never been the type to
Ever get enough
I know that these thoughts are
Filled with doubt
Time to pour them out

Oh
Am I
Am I
A moment in your life
Or am I
Am I
Locked into this ride
Oh am I
Am I
Enough for your mama don't lie
Oh am I

My trust was lost
Inside of a storm
You decided
To go and explore
But little did I know
How far you'd go
To make me feel
Love
Loved again

But if I'm being honest
I needed you
My faith was falling
No parachute
I know that these thoughts are
Filled with doubt
Time to pour them out

Am I
Am I
A moment in your life
Or am I
Am I
Locked into this ride
Oh am I
Am I
Enough for your mama don't lie
Oh am I

Yeah, you have a tribal type of beauty

Runs right through your blood
You teach me how to love myself daily
I can't thank you enough
