

Beg

Austin Giorgio

You make me beg baby
Like the stars beg for no sun
You put the smoke in our cigarettes
You tempt my mind like you tempt my soul
To do some wrong
And for that there's a consequence

I don't wanna be the one to
Wait up for ya counting one two
Three a.m. we're here again you're leading me on, so...

Take me to the limit, baby
Stop before it's finished, baby
Drive me crazy, take me to the edge
And don't make me
Be-e-e-e-eg
Be-e-e-e-eg
Be-e-e-e-eg
Baby, don't make me beg

Your silhouette, baby
Crawlin' slow, eyes are on me
I can taste what's comin' next

I just wanna be the one to
Stay up for ya counting one two
Three a.m. we're here again you're leading me on

Take me to the limit, baby
Stop before it's finished, baby
Drive me crazy, take me to the edge
But don't make me
Wait 'til the morning, baby
Don't give me a warning, baby
Take me there, don't leave me on the edge
And don't make me
Be-e-e-e-eg
Be-e-e-e-eg
Be-e-e-e-eg
Baby, don't make me beg

Don't make me
Don't make me beg
Don't make me
Take me to the limit
Stop before it's finished
Don't let me

Wait 'til the morning, baby
Don't give me a warning, baby
Take me there, don't leave me on that edge
And don't make me
Be-e-e-e-eg
Be-e-e-e-eg
Be-e-e-e-eg
Baby, don't make me beg
Be-e-e-e-eg

Be-e-e-e-eg

Be-e-e-e-eg

Baby, don't make me beg
