

# Hands On

Austin Giorgio

Baby, it's alright  
Take a minute  
Now you're mine  
They can wait  
We got all night  
Let's live it  
I'm gonna love you, baby

Just one taste  
It's true  
Know I crave  
All of you  
Can't wait  
Cut 'em loose  
Tell 'em, tell 'em, tell 'em that you're

T to the I  
To the ED  
U to P  
Yeah, baby  
He lost your time  
You're with me  
My hands on your hands on your  
Body

Wear what you want  
It's you I see  
From sweats to a dress  
You're seducing  
A beauty savant  
You're all I want  
Your lips taunt  
The urge in me

It's too bad  
That he let ya  
Realize  
Without him, you're better  
Now it's real nice  
To be me  
'Cause I get to hear  
My name screamed

Baby, it's alright  
Take a minute  
Now you're mine  
They can wait  
We got all night  
Let's live it  
I'm gonna love you, baby

Just one taste  
It's true  
Know I crave  
All of you  
Can't wait  
Cut 'em loose

Tell 'em, tell 'em, tell 'em that you're

T to the I

To the ED

U to P

Yeah, baby

He lost your time

You're with me

My hands on your hands on your

Body

Ah oh, ah oh, let the hips roll

Ah oh, ah oh, let the hips roll

Ah oh, ah oh, let the hips roll

Ah oh, ah oh, let's go

Baby, it's alright

Take a minute

Now you're mine

They can wait

We got all night

Let's live it

I'm gonna love you, baby

Just one taste

It's true

Know I crave

All of you

Can't wait

Cut 'em loose

Tell 'em, tell 'em, tell 'em that you're

T to the I

To the ED

U to P

Yeah, baby

He lost your time

You're with me

My hands on your hands on your

Body

Ohh

My hands, my hands, my hands

On your body, body

Oh, on your body

Oh, on your body

Oh, on your body

On your body

Oh
