

I Don't Believe You

Austin Mahone

You know we're young and we make our mistakes
Both caught in our ways
Just two different states
Was one call away
Intoxicated words when the thoughts are sober
So won't you come over cause I need closure
Watch you come over

Why can't we just seem to figure it out
You tell me that you don't want me now

I don't believe you
I don't believe you
I don't believe you, no
You say you don't love me
And I know, and I know that you love me

I don't believe you
I don't believe you, no
You say you don't love me
And I know, and I know that you love me

We've been here before
Clothes tossed on the floor
After we say no more
And you can't pretend
Hide it with your friends
I just want to know

Why can't we just seem to figure it out
You tell me that you don't want me now

I don't believe you
I don't believe you
I don't believe you, no
You say you don't love me
And I know, and I know that you love me

I don't believe you
I don't believe you, no
You say you don't love me
And I know, and I know that you love me

I just don't believe a word you say
By the way you looking at
I just don't believe a word you say, right now
I don't believe you
I just don't believe a word you say
By the way you looking at
I just don't believe a word you say, right now
I don't believe you

Believe you
I don't believe you, I don't believe you
I don't believe you, I don't believe you
You say you don't love me
And I know, and I know that you love me

I don't believe you
I don't believe you, I don't believe you
I don't believe you, I don't believe you
You say you don't love me
And I know, and I know that you love me

I just don't believe a word you say
By the way you looking at
I just don't believe a word you say, right now
I don't believe you
I just don't believe a word you say
By the way you looking at
I just don't believe a word you say, right now
I don't believe you
