

So Good

Austin Mahone

White t-shirt, nothing else on
But girl, you've never looked better
Skin on skin, wish we could stay
Here in this moment together, forever, yeah

So don't you lift a finger, you already mine
And you know I've all day, but overtime
And you ain't gotta ask me, it's understood
Yeah

Oh, damn, you look good
All kinds of beautiful, so good
Girl, I'm screaming out, good, yeah
You ain't even gotta ask 'cause baby, it's all understand
Damn, you look good
So good
Damn, you look good, yeah
You ain't even gotta ask 'cause baby, it's all understood

Damn, look at those 6 inch heels, nothing else on
Baby, you've never looked better
Sensual feels, they catching on
You know I'm ready whenever, whenever, yeah

So don't you lift a finger, you already mine
And you know I've all day, but overtime
And you ain't gotta ask me, it's understood
Yeah

Oh, damn, you look good
All kinds of beautiful, so good
Girl, I'm screaming out, good, yeah
You ain't even gotta ask 'cause baby, it's all understand
Damn, you look good
So good
Damn, you look good
Baby, it's all understood
Damn, you look good, yeah
So good, yeah
Damn, you look good
Baby, it's all understood
Damn, you look good
Good, good, good

Good, good, good
Damn, you look good
Good, good, good
Damn, you look good
Good, good, good
