

Muddy Water Rockstar

Austin Snell

I got an '09 Silverado
That I wouldn't replace if I hit the lotto
I know I ain't drop one in some time
But I shoot Wild Turkey out the bottle

They say that boy ain't from the country
Just 'cause he don't sing like he from the country
Ya can't put a Marshall stack on a country track
Boy let me teach you something

My ma raised me on Waylon
My pops on rock n roll
Red dirt and black top pavement
This is what you get when you mix 'em up
My roots run deep in the Georgia ground
I put the dirty in the dirty south
Got 12 inch subs on a river boat bumpin'
Muddy Water Rockstar
Suck it

From Men In Black to Back In Black
I can tell you every word from front to back
Got a Les Paul on my rifle rack
You ain't a cowboy son, you just bought the hat

My ma raised me on Waylon
My pops on rock n roll
Red dirt and black top pavement
This is what you get when you mix 'em up
My roots run deep in the Georgia ground
I put the dirty in the dirty south
Got 12 inch subs on a river boat bumpin'
Muddy Water Rockstar
Suck it
