

Bad For Me

AUSTIN

I think it's crazy that you love me
You tell me pretty little lies
You say it's not you, it's about me
Most famous last words every time we say goodbye

Monday we broke up again, Tuesday we're just friends
Wednesday you call late at night, Thursday we're back in
Friday we're deep in love, Saturday never give you up
Sunday we argue while we eat breakfast in bed

You're just bad for me
'Cause you stay mad like half the week
And I hate when you don't call back
But I love you when you hold back
Maybe you're just bad for me

But you're all I want
But you're all I want

Break up and we make up and we do it all over again
Hate-love then we make love 'cause we'll always be more than friends
Trying our best to keep it all low key
But you know where it's going when you're betting on me
Break up and we make up and we do it all over again

Monday we broke up again, Tuesday we're just friends
Wednesday you call late at night, Thursday we're back in
Friday we're deep in love, Saturday never give you up
Sunday we argue while we eat breakfast in bed

You're just bad for me
'Cause you stay mad like half the week
And I hate when you don't call back
But I love you when you hold back
Maybe you're just bad for me

But you're all I want
But you're all I want
But you're all I want
But you're all I want

We go, we go round and round in circles baby
You know, you know the words I say that drive me crazy
Dysfunctional, you switch up on me on the daily, oh
Oh

You're just bad for me
'Cause you stay mad like half the week
And I hate when you don't call back
But I love you when you hold back
Maybe you're just bad for me

But you're all I want
But you're all I want
But you're all I want
But you're all I want
You're all I want
