

# In Betweenin'

AUSTN

Here's the part where things get messy  
Here's the part where we say what we haven't before  
Diving in, never been more ready  
And I just can't wait anymore  
Take a chance if you feel what I'm feelin'  
Got my heart like a drum bangin' four on the floor  
When I'm with you yeah we're dancing on the ceiling  
So tell me what you waiting for  
All my life hoping, praying, wishing  
That I would find the one for me  
Why waste time hoping, praying, wishing  
When I can give you what you need

Baby we're all or we're nothing  
Yeah there's no in betweenin' with you  
Baby we're all or we're nothing  
Yeah I'm caught in these feelings with you  
Right now were more than friends but less than lovers  
We just can't pretend we don't want each other  
So we're all or we're nothing yeah there's no in betweenin' with you

Here's the part where you say that you need me  
Here's the part where I draw that line in the sand  
Up to you, you can love me or leave me  
But I'll treat you like no one else can  
All my life hoping, praying, wishing  
That I would find the one for me  
Why waste time hoping, praying, wishing  
When I can give you what you need

Baby we're all or we're nothing  
Yeah there's no in betweenin' with you  
Baby we're all or we're nothing  
Yeah I'm caught in these feeling with you  
Right now were more than friends but less than lovers  
We just can't pretend we don't want each other  
So we're all or we're nothing yeah there's no in betweenin' with you

No there's no in betweenin'  
No there's no in betweenin' with you  
I said there's no in betweenin' when I'm caught in these feelings with you

So what you say let's get carried away  
Cause we got nothing to lose and each other to gain  
So what you say let's get carried away  
Day after day after day after day

Baby we're all or we're nothing  
Yeah there's no in betweenin' with you  
Baby we're all or we're nothing  
Yeah I'm caught in these feelings with you  
Right now we're more than friends but less than lovers  
We just can't pretend we don't want each other  
So we're all or we're nothing yeah there's no in betweenin' with you

Now there's no in betweenin'  
Now there's no in betweenin' with you

I said there's no in betweenin' when I'm caught in these feelings with you
