

# Mean

AUSTN

We met on a Saturday in the summer breeze in the Oregon haze  
We stayed up late on a movie date  
You watching it and I was watching you

There's something 'bout you that gets me feeling some way  
I'd tell you everything but if you knew, would you stay?

You have no idea how beautiful you are  
I swear that everyday you're breaking peoples hearts  
Sometimes when you're with me I can't help but wonder  
Can't help but wonder  
That if you could see what I could see  
You'd probably be mean

You'd be in a car with him  
Riding to the football game  
Or passing me in the hallways  
When you're on your way with no words to say

There's something 'bout you that gets me feeling some way  
I'd tell you everything but if you knew, would you stay?

You have no idea how beautiful you are  
I swear that everyday you're breaking peoples hearts  
Sometimes when you're with me I can't help but wonder  
Can't help but wonder  
That if you could see what I could see  
You'd probably

You even look better than tan in my sweater  
Didn't think it was possible  
The streetlights are your stage  
You're perfect in all ways  
If you ever realise  
That if you could see what I could see  
You'd probably be mean

You have no idea how beautiful you are  
I swear that everyday you're breaking peoples hearts  
Sometimes when you're with me I can't help but wonder  
Can't help but wonder  
That if you could see what I could see  
You'd probably be mean
