

Beat And The Pulse

Austra

All the anger's lost
Freed from the beat and the pulse
Laughing like a fool
Playing for the heart and the soul
And the soul

Capture something red
Paste it to the edge of your bed
Someone will be there
Someone who will know what it says
What it says

Feel it break
Feel it break
Nothing's a mistake for you
Feel it break

Elevate your fingers
Motion makes it hard to write
Stewards are abrasive
Girls are making me feel right
Feel right

Feel it break
Feel it break
Nothing's a mistake for you
Feel it break

Feel it break
Feel it break
Nothing's a mistake for you
Feel it break

Feel it break
Feel it break
