

It's Amazing

Austra

Under the fabric I pull
It's amazing, it's amazing
Sweet lips and heavy dreams
It's amazing, ooh, it's amazing

Ooh-ooh-ooh-ooh
Aah-aah-aah
Ooh-ooh-ooh-ooh
Aah-aah-aah

Burning inside our cavern
It's amazing, ooh, it's amazing

Ooh-ooh-ooh-ooh
Aah-aah-aah
Ooh-ooh-ooh-ooh
Aah-aah-aah

Oh, do you feel it?
Should I really believe it
Or is it just another game?
I'm here, do you see me?
Do you really believe me?
Is your perception gonna change?
I don't wanna be afraid
I don't wanna be a fool
It's just another game?
I don't wanna be afraid
I don't wanna be a fool
It's just another game?

Instead of biting, I pull
It's amazing, well, it's amazing
Hoping to please, never fail
It's amazing, ooh, it's amazing

Ooh-ooh-ooh-ooh
Aah-aah-aah
Ooh-ooh-ooh-ooh
Aah-aah-aah

Oh, do you feel it?
Should I really believe it
Or is it just another game?
I'm here, do you see me?
Do you really believe me?
Is your perception gonna change?
I don't wanna be afraid
I don't wanna be a fool
It's just another game?
I don't wanna be afraid
I don't wanna be a fool
It's just another game?

Aah-aah-aah-aah
Aah-aah-aah-aah
Aah-aah-aah-aah

Aah-aah-aah-aah
Aah-aah-aah-aah
Aah-aah-aah-aah
Aah-aah-aah-aah
Aah-aah-aah-aah
Aah-aah-aah-aah
