

Think Twice

Austra

Please, Adonis
Seeing you at the office
Has me, so anxious
Cuz nobody knows what happened

Did you not think twice?
Or even ask for advice
Before you dropped a metaphorical hand grenade
Did you not think twice?

Please, Adonis
So shy and unassuming
It's easy for you to
Stay in control of the narrative

Did you not think twice?
Or even ask for advice
Before you dropped a metaphorical hand grenade
Did you not think twice?
You pretend to be so nice
But for you it's just a silly game of destruction
Did you not think twice?

You desperately try to convince me
You've got nothing to be sorry for
But am I the one that needs the convincing?
Or is it just a matter of fixing
To save, your soul
Think twice

Did you not think twice?
Or even ask for advice
Before you dropped a metaphorical hand grenade
Did you not think twice?
You pretend to be so nice
But for you it's just a silly game of destruction
Did you not think twice?
