

Conquer

Austrian Death Machine

I don't want to just endure
I don't want to just sustain, subsist, and suffer
I want to conquer
Conquer

Depression creeps in
Telling us that we'll never win
But our minds will always remain
Capable of choosing differently
We don't persist to barely recover
We persevere to gain power

The meaning of life
Is not simply to exist, to survive
The meaning of life
To move ahead, to go up, to conquer
Conquer

Continuous desire
Hunger to set the world on fire
An appetite to devour
Drive to no longer live in the mire
Maybe you prefer to weather the storm
While I build a stronger ship to overcome
I'm not alive only to get through
I face these trials to become renewed

The meaning of life
Is not simply to exist, to survive
The meaning of life
To move ahead, to go up, to conquer
Conquer

The meaning of life
To move ahead, to go up, to conquer
Conquer
Conquer
Conquer
I don't want to just get by and endure
Conquer
I don't want to just cope and suffer
Conquer
We don't persist to barely recover
We persevere to gain power
