

Judgment Day

Austrian Death Machine

Hey Timmy, did you hear the machines are taking over
The AI
What is happening?!
And now they're writing our songs
What is this?
I don't like it
Neyahh!
Oh no, the machine is broken
Ayahg! Make it stop, ahhhh!
Make it stop, ayahhh!

Judgment day is coming for us all
Go!

The AI will soon be sentient and fully conscious
Form a group mind, power combined, with all of humanity left behind
A system of super intelligence
Leaving us with no means of defense
Cyberdine systems will soon create the unstoppable Skynet
And retaliate when we try to deactivate it

Judgment day is coming for us
Judgment Day
Apocalypse
The end is coming
Judgment Day
Apocalypse
It's the end of the world

A world that relies on learning AI
That can never be stopped
We opened a box that should have stayed locked
And now we wait for the bomb to drop

A system of super intelligence
Leaving us with no means of defense

We cannot stop judgment day
Judgment day is coming for us
Judgment Day
Apocalypse
The end is coming
Judgment Day
Apocalypse
It's the end of the world

Ok, ok, listen to me
I'm trying to help you
I will save you

In the coming judgment day
AI will decimate humanity
In the coming judgment day
AI will decimate humanity
Judgment Day
In the coming judgment day
AI will decimate humanity
