

# Who Writes the Songs?

Austrian Death Machine

Tim:

Hey Arnold, check out this riff.

Arnold:

This is, [something], stop it  
That's enought, all right, now listen  
no no no, SHUT UP,  
STOP IT,  
STOP IT, what are you doing?  
CUT IT OUT.

Listen, I have to tell you.

I'm really upset that you've been the one writing all this song  
s.

[something] you are kind of a girly man, and things need to be  
more brootal,  
Now it's mine turn!  
But if I'm [something] of this orchestra, I wanna change a few  
things.

Hey you! Over there! Listen.

I don't wanna snare drum, I want [something]  
And replace the chinese cymbals with booms! He he  
Oh oh, and while you edit I need a sample of somebody's head be  
ing smashed in, ha ha ha ha . I love it.

Yea yea, totally, totally,  
okay, yea, oh right, here we go

Give me a break  
That's enough  
All right  
Now listen
