

You Lack Discipline (There Is No Bathroom)

Austrian Death Machine

Stop whining
You kids are soft
You lack discipline
Well, I've got news for you

You're mine now
You belong to me
You're not going to have
Your mommies

Right behind you anymore
And wipe your little tushies
Oh no, it's time now to turn
This mush into muscle

No more complaining
No more "Mr. Kimble"
I have to go
There is no bathroom

No more complaining
No more "Mr. Kimble"
I have to go
There is no bathroom

You're going to be
My deputy trainees

No more complaining
No more "Mr. Kimble"
I have to go
There is no bathroom

No more complaining
No more "Mr. Kimble"
I have to go
There is no bathroom

Stop whining
You kids are soft
You lack discipline
You lack discipline
You lack discipline
You lack discipline

No more complaining
No more "Mr. Kimble"
I have to go
There is no bathroom

No more complaining
No more "Mr. Kimble"
I have to go
There is no bathroom
