

Atom Bomb

Authority Zero

Bang! Bang!
Now they're sounding off the sirens
Lookin' at the violence
Too much! Too fast!
Take take
For the media access
Instead of takin' action
Not going! To last!
Full speed, yeah, we're headin' down the highway
Are you goin' my way?
Prepare for! Impact!
Uploads ready
Three, two, one

Is it just me?
What's going on?
Two billion people can't be wrong
Is it just me?
What's going on?
Or are we just and Atom Bomb?

Bang! Bang!
Kids are fighting in the school yard
Time to change the sim card
Its still too much too fast
Bum fights with shootings out in mid-day
Fires on the freeway
Film it cause it just won't last
Should I help?
Nah, gonna wanna see this
