

Nowheres Land

Authority Zero

All aboard
Here we go
Let's take the reigns and take control
I'm on a mission
Got a condition
Pull out all stops I'm in ten fold

My motivation has been playing with my head
I'd rather sit and drool away my life instead

Bouncing off the walls
It seems that no one understands
I've got a one way ticket to Nowheres Land

I'm coming off like the Mayday Parade
Barreling in like an Iron Cavalcade
There's no telling what I have in store
My motivation is second to none
I'd rather sit back until the war is won
I've got a one way ticket to Nowheres Land

There's a fly on the wall
That's been staring at me judging all day long
Mind your own business
I've got problems of my own
You'd think I've been laying here
Just rotting away in bed
Well come to think of it
I was sure that I was dead

Bouncing off the walls
It seems that no one understands
I've got a one way ticket to Nowheres Land

I'm coming off like the Mayday Parade
Barreling in like an Iron Cavalcade
There's no telling what I have in store
My motivation is second to none
I'd rather sit back until the war is won
I've got a one way ticket to Nowheres Land

Stuck in the trenches
Finding my way home
It seems that no one understands I'm prone
Oh yeah, to misbehavior
I'm a skeptic a bleeding heart
The celebration and then I'll start again
Oh yeah
All aboard to Nowheres land

All aboard
Here we go
Let's take the reigns and take control
We're on a mission!
We're on a mission!
We're on a mission!

I'm coming off like the Mayday Parade
Barreling in like an Iron Cavalcade
There's no telling what I have in store
