

One Way Track Kid

Authority Zero

I'm that one way track kid
And I'm going' nowhere fast as I can
'Cause anywhere's better than here
Better than nothing
Yeah I'm that one way track kid
That flashing light that's self degraded
Self-destruction, good for nothin'
At least that's something

Yeah I'm that one way track kid
And I'm delusional at best
There's nothing I can't do
And I'll probably blow it
But what's it to you?
Yeah I'm that face the facts kid
You won't go far
Just admit defeat
It's a one way street
And you know it's true
You don't have it in you!

Take me to higher places that I cannot explore
(Cause I know I know I know)
Just reprimand me for the choices I live for
Take me to higher places that I cannot explore
(Cause I know I know I know)
Just reprimand me reprimand me yeah once more

I'm that one way track kid
And I'm going' nowhere fast as I can
'Cause anywhere's better than here
Better than nothing
Yeah I'm that one way track kid
That flashing light that's self degraded
Self-destruction, good for nothin'
At least that's something

Take me to higher places that I cannot explore
(Cause I know I know I know)
Just reprimand me for the choices I live for
Take me to higher places that I cannot explore
(Cause I know I know I know)
Just reprimand me reprimand me yeah once more
(Come on)

Take me to higher places that I cannot explore
(Cause I know I know I know)
Just reprimand me for the choices I live for
Take me to higher places that I cannot explore
(Cause I know I know I know)
Just reprimand me reprimand me yeah once more

I'm that one way track kid
And I'm going' nowhere fast as I can
'Cause anywhere's better than here
Better than nothing
Yeah I'm that one way track kid

That flashing light that's self degraded
Self-destruction, good for nothin'
At least that's something

I'm that one way track kid
And I'm going' nowhere fast as I can
'Cause anywhere's better than here
Better than nothing
Yeah I'm that one way track kid
That flashing light that's self degraded
Self-destruction, good for nothin'
At least that's something

I'm that one way track kid
And I'm going' nowhere fast
