

# Drifting Away

Autograf

I feel you on my body, but we're drifting away  
Something's feeling different, it just don't feel the same  
I will never leave, you know that I'm here to stay  
Even if it feels like, feels like feels like we're drifting away

Drifting away  
Bum buh duh  
Bum buh duh duh duh  
Bum buh duh  
Bum buh duh duh duh  
Bum buh duh  
Bum buh duh duh duh  
Bum buh duh  
Bam buh duh duh duh

I feel you on my body, but we're drifting away  
Something's feeling different, it just don't feel the same  
I will never leave, you know that I'm here to stay  
Even if it feels like, feels like feels like we're drifting away
