

# Hold Me Back

Autograf

Starin' at a screen  
Livin' caffeine dreams  
Give me my two weeks  
I don't meet your expectations  
Marchin' past defeat  
To the city's beat  
Where everyone I meet  
Is lookin' for some inspiration

I don't need a rhyme or reason  
So let me run this town  
Pain is now my motivation  
Could this be the time or season?  
So let me run this town  
I'd like to see them try

To hold me back (Only keepin' me down)  
Don't hold me back (Oh, from losin' my ground)  
Hold me back (Only keepin' me down)  
Don't hold me back (Oh, from losin' my)  
To hold me back (Only keepin' me down)  
Don't hold me back (Oh, from losin' my ground)  
Hold me back (Only keepin' me down)  
Don't hold me back (Oh, from losin' my)

Oh, I don't need your words 'cause I'm feelin'  
Hold me back (Only keepin' me down)  
Don't hold me back (Oh, from losin' my ground)  
Oh, I don't need your words 'cause I'm feelin'

Hold me back  
Hold me back  
To hold me back  
Hold me back

Hold me back (Only keepin' me down)  
Don't hold me back (Oh, from losin' my ground)  
The corner's no place for me baby  
The corner's no place for me  
To hold me back (Oh, from feelin' alright)  
Don't hold me back (Oh, you're losin' this fight)  
The corner's no place for me baby  
The corner's no place for me

Rollin' through the streets  
The city symphony  
Plays in front of me  
Meeting my own expectations

I don't need a rhyme or reason  
So let me run this town  
Pain is now my motivation  
Could this be the time or season?

Hold me back  
Hold me back  
To hold me back

Hold me back

Hold me back (Only keepin' me down)  
Don't hold me back (Oh, from losin' my ground)  
The corner's no place for me baby  
The corner's no place for me  
Don't hold me back (Oh, from feelin' alright)  
Don't hold me back (Oh, you're losin' this fight)  
The corner's no place for me baby  
The corner's no place for me

Oh, I don't need your words 'cause I'm feelin'  
Oh, I don't need your words 'cause I'm feelin'
