Know I love the way you are  
No filter  
All of the secrets in your heart

I love the way  
I can relate  
I like that you're real babe  
I like that you're real babe

You can wear it inside out  
I feel ya  
I love all your ups and downs

Yea I love your way  
I can relate  
I like that you're real babe  
I like that you're real babe

I know you still got that one thing you're fighting  
I know you still got that one thing you're hiding  
You show me everything you got inside ya  
You can be real babe  
I like that you're real babe

I like that you're real babe  
I like that you're real babe  
I like that you're real babe  
I like that you're real babe

Lemme see you underneath  
The surface  
You know it's not too much for me

Cos I love the way  
I can relate  
I like that you're real babe  
I like that you're real babe

You can wear it inside out  
I feel ya  
I love all your ups and downs

Yea I love your way  
I can relate  
I like that you're real babe  
I like that you're real babe

I know you still got that one thing you're fighting  
I know you still got that one thing you're hiding  
You show me everything you got inside ya  
You can be real babe  
I like that you're real babe

I know you still got that one thing you're fighting  
I know you still got that one thing you're hiding  
You show me everything you got inside ya  
You can be real babe

I like that you're real babe

I like that you're real babe

I like that you're real babe

I like that you're real babe

I like that you're real babe

I like that you're real babe
