

# Wait For The Weekend

Autograf

I don't wanna wait for the weekend  
I wanna party right now  
Let me just release on this good thing  
Forget our troubles now

I don't wanna wait  
I don't wanna  
I don't wanna

I don't wanna wait for the weekend  
I wanna party right now  
Let me just release on this good thing  
Forget our troubles now

I don't wanna  
I don't wanna  
I don't wanna  
I don't wanna

I don't wanna wait for the weekend  
I wanna party right now  
Let me just release on this good thing  
Forget our troubles now

I don't wanna wait  
I don't wanna  
I don't wanna  
I don't wanna  
I don't wanna
