

# Gotta Getcha

Autograph

I'm alive, I'm a killer  
I'm a son of a bitch, I'm a sinner  
Got no shame, got no filler  
Got no class, but I like to be winner  
I'm alive and I'm burning  
But I got to get you out of my way

You get me lower by the minute  
Love to kick me down  
You like to push me to the limit  
Till I can't get out

Gotta getcha, gotta getcha out of my bed  
You ain't nothing but a parasite, get out of my head  
Gotta getcha, gotta getcha down on the floor  
But you break me every time and leave me aching for more

I'm alive, I'm no victim  
I'm a shadow in the darkness  
I'm a hunter, don't believe me  
You so love to make me wonder  
I'm on fire, I'm a wire  
But you're the drug that pulls me under  
From the top of the mountain  
To the bottom of the ocean

So deceiving can't see in it  
Face down on the ground  
Always pushing to the limit  
Just to keep me down

Gotta getcha, gotta getcha drive me insane  
Always way ahead of time possessing my brain  
Gotta getcha, gotta getcha out of my sight  
Still I look the other way and wait for the bite  
Gotta getcha, gotta getcha out of my bed  
You ain't nothing but a parasite, get out of my head  
Gotta getcha, gotta getcha down on the floor  
But you break me every time and leave me aching for more

You get me lower by the minute  
Love to kick me down  
You like to push me to the limit  
Till I can't get out

Gotta getcha, gotta getcha drive me insane  
Always way ahead of time possessing my brain  
Gotta getcha, gotta getcha out of my sight  
Still I look the other way and wait for the bite  
Gotta getcha, gotta getcha out of my bed  
You ain't nothing but a parasite, get out of my head  
Gotta getcha, gotta getcha down on the floor  
But you break me every time and leave me aching for more
