

Ready to Get Down

Autograph

So it's Saturday morning and it feels so good
I hear the music playing in my neighborhood
So I look out the window and the sky is blue
I'm so excited to do the things I love to do

Looking forward to see my friends and have a drink in my hands
Seize the day like no one can and party up with the band

Oh, Oh are you ready to get down
Oh, Oh gonna burn it to the ground
Oh, Oh are you ready to get down
Oh, Oh nothing can stop us now

10am on the highway play the music loud
I love the wind on my face as I put the top down
Far away from the city I just can't wait for the show
I'm seizing every moment letting myself go

Looking forward to see my friends and have a drink in my hands
Seize the day like no one can and party up with the band

Oh, Oh are you ready to get down
Oh, Oh gonna burn it to the ground
Oh, Oh are you ready to get down
Oh, Oh nothing can stop us now

I'm gonna burn it to the ground

Oh, Oh are you ready to get down
Oh, Oh gonna burn it to the ground
Oh, Oh are you ready to get down
Oh, Oh nothing can stop us now
Oh, Oh nothing can stop us now
Oh, Oh nothing can stop us now
Oh, Oh nothing can stop us now
Oh, Oh nothing can stop us now
Oh, Oh nothing can stop us now
Oh, Oh nothing can stop us now
