

Already Gone

Autoheart

It's the way you tell a story
That gets us all hooked
Hook, line and sinker
Captivating when you're holding court
You give this look
Shrewd as a splinter

I know how cold you get
How cold you go
I know how sad you get,
How sad you go, you go, you go

If you're already gone
Can I have
Just one last
Moment to say
I love you
I understand, I do

It's the way you push your shoulders back
And puff your chest
As proud as a robin
It's the way you never back down from an argument
It's your God-given right to be right

I know how dark you get,
How dark you go
I know how hard it is,
How hard it gets, it gets for you

If you're already gone
Can I have
Just one last
Moment to say
I love you
I understand, I do

I love you
I miss you
To say, I love you
To say, I understand
I do
