

# Joseph

Autoheart

Joseph was talking, grooming a rumor  
He said, "Somebody drowned the other day"  
That somebody was me, but I never drowned  
I just simply slipped away

(I just simply slipped away)

So if you need me, I'm sorry  
'Cause I'm not around anymore  
I'll never tell you what I'm thinking  
You don't deserve to know

You came through stumbling hard, I knew  
Mumbling words untrue, only to undo  
All the good I had achieved, you would  
Stampede all over it, because you could

Joseph had captured a bird without wings  
Writing in gold, making shapes in the fire  
His anger met silence, a death in the woods  
My freedom was mine again, mine again, all mine

You won't find me crying  
So don't you feel sorry for me  
All that I have is in my head  
And all that you took you can have

You came through stumbling hard, I knew  
Mumbling words untrue, only to undo  
All the good I had achieved, you would  
Stampede all over it, because you could

You came through stumbling hard, I knew  
Mumbling words untrue, only to undo  
All the good I had achieved, you would  
Stampede all over it, because you could

You don't heal me

You don't heal me  
Like you used to  
You don't heal me  
Like you used to

You don't heal me no more  
You don't heal me no more  
You don't heal me no more

You don't heal me  
Like you used to  
You don't heal me

You don't heal me like you used to  
You don't heal me no more  
I don't need you like I used to  
You can't cure me like before
