

# Life Is Confusing

Autoheart

I have done things that I really should not do  
Crossed your belligerent path many times  
Yes, I'm aware I can be non-particular  
But you are clearly more savvy than I

If you could see me, wondering wildly  
You would be laughing effortlessly  
I've been divided, I've been inside it  
I've been deluded many a time

Already know that life is confusing  
Questioning what? I don't know anymore  
And yes I know that we could be losing  
Everything we have worked on before  
Already know that life is confusing  
Questioning what? I don't know anymore  
And yes I know that we could be losing  
Everything we have worked on before

A sense of politeness don't come to you naturally  
You are polluted, diluted and more  
Still I return to you, why? I am not sure  
There is no remedy, there is no cure

If you could see me, wondering wildly  
You would be smiling effortlessly  
I've been divided, I've been inside it  
I've been deluded many a time

Already know that life is confusing  
Questioning what? I don't know anymore  
And yes I know that we could be losing  
Everything we have worked on before  
Already know that life is confusing  
Questioning what? I don't know anymore  
And yes I know that we could be losing  
Everything we have worked on before

Oh-o-oh, oh-o-oh, oh-o-oh, oh oh  
Oh-o-oh, oh-o-oh, oh-o-oh, oh  
Ooh, ooh, ooh  
Ooh, ooh, ooh, aah ooh  
(Oh-o-oh-o-oh)  
(Ah-a-oh-a-oh)  
(Whoa-a-oh-a-oh)

Already know that life is confusing  
Questioning what? I don't know anymore  
And yes I know that we could be losing  
Everything we have worked on before  
Already know that life is confusing  
Questioning what? I don't know anymore  
And yes I know that we could be losing  
Everything we have worked on before
