

Santa Fe

Autoheart

Heaven sent
You were like a present I should not have kept
A sticker on your forehead saying 'breakable'
And I broke you bad

M.I.A
Waking up to nothing on New Year's day
Thinking of a holiday to Santa Fe
To get over us

And when I saw you
I should've kept on going
But I couldn't move
The gods of justice spoke
And I got what I deserved

And when you saw me
Your hand become an angry fist
I agree with everything that's coming my way
But forgive me if you can

Unbeknown
Every time we speak it's in a stranger tone
When I go to sleep I hold the telephone
Just in case you call

Your Blue shirt
Hanging on the back of my bedroom door
The scent of you is something I can't ignore
No matter how hard I try

And when I saw you
I should've kept on going
But I couldn't move
The gods of justice spoke
And I got what I deserved

And when you saw me
Your hand become an angry fist
I agree with everything that's coming my way
But forgive me if you can

And when I saw you
I should've kept on going
But I couldn't move
The gods of justice spoke
And I got what I deserved

And when you saw me
Your hand become an angry fist
I agree with everything that's coming my way
But forgive me if you can

Secretly bleeding my heart out to you
I am making the best of a bad situation
Secretly bleeding my heart out to you
I'm secretly bleeding my heart out to you

I am making the best of a bad situation
Secretly bleeding my heart out to you
