

You don't remember your dreams
They still make you strange
The Sun is a wheel
The day is a cage

Your history is a bitch
You got one good arm
We ain't gonna work
On your [?]

You don't remember your dreams
They still make you strange

The Sun is a wheel
The day is a cage

Let them see your teeth
Every crooked charm
As she float over reef
And you turn into [?]

You don't remember your dreams
They still make you strange
The Sun is a wheel
The day is a cage
