

This is as quiet as it gets
Hush down now
Go to sleep
We were once
Perfect
Me and you
We'll never leave this room

H-H-H-Hush
You color my eyes red
Your loves not alive it's dead
This letters written itself inside-out again
When rivers turn to roads and lovers become trends
H-H-H-Hush this is where it ends

This is the calming before the storm
This absolution is always incomplete
It's always bittersweet

H-H-H-Hush
You color my eyes red
Your loves not alive it's dead
This letters written itself inside out again
When rivers turn to roads and lovers become trends
H-H-H-Hush this is where it ends

I won't make a sound so you don't wake
Don't wake don't wake
You don't wake
You don't wake

Hush
You color my eyes red
Your loves not alive it's dead
This letters written itself inside out again
When rivers turn to roads and lovers become trends
H-H-H-Hush this is where it ends
You color my eyes red
Your loves not alive it's dead
This letters written itself inside out again
When rivers turn to roads and lovers become trends
H-H-H-Hush this is where it ends
This is where it ends
This is where it ends...
