

Knife Slice, Axe Chop

Autopsy

Preoccupation
With deep lacerations
Red strangulations
And decapitations

Rewinding all the fucking gore
Horror flicks strewn on the floor
Knife slice, axe chop
Streams of blood that never stop

Sick deformations
Savage castrations
Splatter trajectory
Living lobotomy

Rewinding all the fucking gore
Horror flicks strewn on the floor
Knife slice, axe chop
Streams of blood that never stop

Celluloid atrocities
Cannibals, monstrosities
Spilling guts an extra thrill
Anticipate the final kill

Rewinding all the fucking gore
Horror flicks strewn on the floor
Knife slice, axe chop
Streams of blood that never stop
