

Catch My Breath

Ava Max

Get in my car, take me down to the boulevard
Shut up and drive
We can ride all through the night
Into the day screaming my name
Like oh, ah-ah, oh-oh, ah-oh

I feel the rush every time we kiss and we touch
I lose control, baby, keep your eyes on the road
Screaming my name
Screaming my name
Like oh, ah-ah, oh-oh, ah-oh

One, two, three, put your hands on me
Got my hands on you in the passenger seat
One, two, three, baby, give me the keys and go

Oh, we're moving so fast
You got my heart beating out of my chest
And I can't catch my breath
Can't catch my breath
We're driving, we're driving over the edge
Oh, a hundred on the dash
You give me chills down the back of my neck
And I can't catch my breath
Can't catch my breath
We're driving, we're driving over the edge

You can keep me up, keep me up all night
Hanging off the edge of the Hollywood sign

Can't get enough
I can feel the dopamine rush
Got time to kill
Take me high, I live for the thrill
Losing control
Losing control

One, two, three, put your hands on me
Got my hands on you in the passenger seat
One, two, three, baby, give me the keys and go

Oh, we're moving so fast
You got my heart beating out of my chest
And I can't catch my breath
Can't catch my breath
We're driving, we're driving over the edge
Oh, a hundred on the dash
You give me chills down the back of my neck
And I can't catch my breath
Can't catch my breath
We're driving, we're driving over the edge

You can keep me up, keep me up all night
Hanging off the edge of the Hollywood sign

Oh-oh-oh, oh, oh-oh-oh
Oh-oh-oh, oh, oh-oh-oh, oh-oh

Oh-oh-oh, oh, oh-oh-oh-oh-oh

And I can't catch my breath

Can't catch my breath

We're driving, we're driving over the edge
