

Clap Your Hands (

Ava Max

[Intro]

Just clap your hands now

[Verse 1]

Never did I ever
Mean to make a mess
How I'm gonna get home
Is anybody's guess
Money where your mouth was
Gonna wake up in debt
And my car ain't fixed yet
Oh, no, no, no

[Pre-Chorus]

Crazy stupid love
Let the the beat do what it does
Let the music lift you up
Tonight we got enough

[Chorus]

Just clap your hands now
Ah-ah-ah, yeah, ah-ah-ah
Just clap your hands now
Ah-ah-ah, aah
Just clap your hands now
Ah-ah-ah, yeah, ah-ah-ah
Just clap your hands now
Ah-ah-ah, aah
Just clap your hands now

[Post-Chorus]

Just clap your hands now
Just clap your hands now

[Verse 2]

Never did I ever
Mean to send a text
Maybe in the morning
We can make amends
Keep on running my mouth
You keep getting obsessed
Baby, don't be upset

[Pre-Chorus]

Crazy stupid love
Let the the beat do what it does
Let the music lift you up
Tonight we got enough

[Chorus]

Just clap your hands now
Ah-ah-ah, yeah, ah-ah-ah
Just clap your hands now
Ah-ah-ah, aah
Just clap your hands now
Ah-ah-ah, yeah, ah-ah-ah
Just clap your hands now

Ah-ah-ah, aah
Just clap, clap...

[Post-Chorus]
Just clap your hands now
Just clap your hands now

[Bridge]
Ah-ah-ah, yeah, ah-ah-ah
Just clap your hands now
Ah-ah-ah, aah
Just clap your hands now
Ah-ah-ah, yeah, ah-ah-ah
Just clap your hands now
Ah-ah-ah, aah
Just clap your hands now
Just clap your hands now

Just clap your hands now
Ah-ah-ah, yeah, ah-ah-ah
Just clap your hands now
Ah-ah-ah, aah
Just clap your hands now
