

# Come Home

Ava Max

I'm all alone, thinking in my head  
Begin the words that I'd never say  
Feels just like yesterday, you left my bed  
You were the match and we were heaven sent

Thought that I could catch myself from falling  
Underneath the spell you put upon me  
Now I see you every time I close my eyes  
I close my eyes

I tried it all but nothing, nothing compares  
I miss your hands just running straight through my hair  
I have no life without you giving me air  
Oh, baby come home, oh, baby come home  
I tried to fall again but it wasn't the same  
I missed your heartbeat on me everyday  
I'm a disaster pouring harder than rain  
Oh, baby come home, oh, baby come home

You're going wild, gonna bring you close  
I'm getting wild at my head at home  
Where are you now? Yet, I never know  
Come feels you spreading through my every bone

Thought that I could catch myself from falling  
Underneath the spell you put upon me  
Now I see you every time I close my eyes  
I close my eyes

I tried it all but nothing, nothing compares  
I miss your hands just running straight through my hair  
I have no life without you giving me air  
Oh, baby come home, oh, baby come home  
I tried to fall again but it wasn't the same  
I missed your heartbeat on me everyday  
I'm a disaster pouring harder than rain  
Oh, baby come home, oh, baby come home

And no one can do what you do  
Oh, no one can move like you move  
I shouldn't have left like a fool  
Oh, no one can do what you do

I tried it all but nothing, nothing compares  
I miss your hands just running straight through my hair  
I have no life without you giving me air  
Oh, baby come home, oh, baby come home  
I tried to fall again but it wasn't the same  
I missed your heartbeat on me everyday  
I'm a disaster pouring harder than rain  
Oh, baby come home, oh, baby come home

'Cause no one can do like you do  
So, come home  
'Cause no one can move like you move
