

Diamonds & Dancefloors

Ava Max

Alone with me, myself and I
Watching the night passing me by
Losing myself inside a lucid dream, I
Don't wanna waste any more time
I'm dancing in the kitchen light
It don't feel wrong, it don't feel right
My heart's been calling for a midnight memory
The only thing that's on my mind

Diamonds and dance floors, that's all I want
I miss the rhythm keeping me warm
Drown me in glitter, glitter and gold
All that I ask for, ask for, ask for

Is diamonds and dance floors in every dream
I miss the music surrounding me
Drown me in glitter, glitter and gold
All that I ask for, ask for, ask for

I close my eyes and disappear
Vibrations in the atmosphere
It's psychological imagination
Why can't I bring this feeling here? (Oh)

Diamonds and dance floors, that's all I want (All I want)
I miss the rhythm keeping me warm (Keepin' me warm)
Drown me in glitter, glitter and gold (Gold)
All that I ask for, ask for, ask for

Is diamonds and dance floors in every dream
I miss the music surrounding me
Drown me in glitter, glitter and gold
All that I ask for, ask for, ask for (Oh)
Diamonds and dance floors

Diamonds and dance floors
Diamonds and dance, diamonds and dancefloors
Diamonds and dance, diamonds and dancefloors
Diamonds and dance, dancefloors, dancefloors
Diamonds and dance floors
