

How Can I Dance

Ava Max

Oh, woah, oh
How can I dance when you tie my hands up?
Oh, woah, oh
How can I lo-lo-lo-love if you keep me in chains?

Think you can lock me, baby? I'm not a bird in your cage (Ooh, ooh)
You wanna play with fire? Boy, that's a dangerous game (Ooh, oo h)

'Cause I'm better off dancing alone
While you're spending the night with your own ego
Baby, now all you get is the ghost
When I leave, oh, oh, oh, oh

Oh, woah, oh
How can I dance when you tie my hands up?
Oh, woah, oh
How can I lo-lo-lo-love if you keep me in chains?
'Cause these wings were made to fly
So I can break free from your hold
Oh, woah, oh
How can I lo-lo-lo-love if you keep me in chains?

No, I won't tiptoe 'round ya, this ain't a Russian ballet (Ooh, ooh)
You use your sticks and stones, but baby, I'm holding grenades (Ooh, ooh)

'Cause I got a heart you could never break
No matter the things you say
So shut up and save the air you breathe
Baby, now all you get is the ghost
When I leave, oh, yeah, yeah, oh

Oh, woah, oh
How can I dance when you tie my hands up?
Oh, woah, oh
How can I lo-lo-lo-love if you keep me in chains?
'Cause these wings were made to fly
So I can break free from your hold
Oh, woah, oh
How can I lo-lo-lo-love if you keep me in chains?
