Kings & Queens

Ava Max

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own

Can't live without me, you wanna, but you can't, nah-nah-nah
Think it's funny, but honey, can't run this show on your own
I can feel my body shake, there's only so much I can take
I'll show you how a real queen behaves

No damsel in distress don't need to save me
Once I start breathing fire, you can't tame me
And you might think I'm weak without a sword
But if I had one, it'd be bigger than yours

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own

Disobey me, then baby, it's off with your head
Gonna change it and make it a world you won't forget

No damsel in distress don't need to save me
Once I start breathing fire, you can't tame me
And you might think I'm weak without a sword
But I'm stronger than I ever was before

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own

In chess the king can move one space at a time
But queens are free to go wherever they like
You get too close, you'll get a royalty high
So breathe it in to feel alive

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own
