Never Forget You

Ava Max

[Verse: Ava Max]
Like it on me, babe, like it on me, yeah
Like it on me, like it on me, like it on me, yeah
Make me feel hot, yeah, hold me tight on, yeah
Like it on me, like it on me, like it on me, babe

[Pre-Chorus: Ava Max]
You know me better, baby, ooh na-na-na
I want it like that 'cause I, ooh la-la-la
You know me better, baby, ooh na-na-na
I want it like that 'cause I, ooh la-la-la

[Chorus: Bonnie McKee]
I'll never forget you, never let you let me go, no-oh
I'll never forget you, never let you let me go, oh-oh
I can't stand it there, you can let it down
Right 'till here in my arms, oh-oh
I'll never forget you, never let you let me go, oh-oh

[Verse: Ava Max]
Like it on me, babe, like it on me, yeah
Like it on me, like it on me, like it on me, yeah
Make me feel hot, yeah, hold me tight on, yeah
Like it on me, like it on me, like it on me, babe

[Pre-Chorus: Ava Max]
You know me better, baby, ooh na-na-na
I want it like that 'cause I, ooh la-la-la
You know me better, baby, ooh na-na-na
I want it like that 'cause I, ooh la-la-la

[Chorus: Bonnie McKee]
I'll never forget you, never let you let me go, no-oh
I'll never forget you, never let you let me go, oh-oh
I can't stand it there, you can get it down
Right 'till here in my arms, oh-oh
I'll never forget you, never let you let me go, oh-oh
