Silhouette

Ava Max

[Verse 1]
I know you miss my heartbeat
I know that I've been on your mind
I know you said you're sorry
But everything you said was a lie

[Pre-Chorus]
Takin' all my love for granted
How good you had it
You found the devil in me
But you forgot I'm not the one to forgive and forget you
I'm gonna haunt your dreams

[Chorus]
Yeah, I'm a ghost in your bed
But you wish I was there
Must be hard to forget my s-s-s-silhouette
All those things that I've said makes you sick in the head
I know it's hard to forget my s-s-silhouette

[Post-Chorus]
Oh-uh-oh-uh (My s-s-silhouette)
Oh-uh-oh-uh (My s-s-silhouette)
Oh-uh-oh-uh (My s-s-silhouette)
Oh-uh-oh-uh

[Verse 2]
See me in your dreams now
'Cause when you think you're all alone
I'll be standin' right there
All, all, all, all night long

[Pre-Chorus]
Takin' all my love for granted
How good you had it
You found the devil in me
But you forgot I'm not the one to forgive and forget you
I'm gonna haunt your dreams

[Chorus]
Yeah, I'm a ghost in your bed
But you wish I was there
Must be hard to forget my s-s-s-silhouette
All those things that I've said makes you sick in the head
I know it's hard to forget my s-s-silhouette

[Post-Chorus]
Oh-uh-oh-uh (My s-s-silhouette)
Oh-uh-oh-uh (My s-s-silhouette)
Oh-uh-oh-uh (My s-s-silhouette)
Oh-uh-oh-uh
