# Take It Back

**Ava Max**

Ooh-ooh-ooh

You act so conceited
But you're weak inside
It's too late, I caught you in one of your lies (Oh-oh)

And I know I was just another girl
Caught up in one of your games
It's true, I should of known better
Should of known your ways (Ah-ah)

Whatcha doin', whatcha doin' to me?
Don't be tryin' to hurt someone intentionally (Ah-ah)
I know you're lyin to me, I got the facts
Yeah, I found you out, boy (Yeah)

Just take it back
(Take it back, take it back, take it, take it back)
Just take it back
(Take it back, take it back, take it, take it back)
Just take it back
(Take it back, take it back, take it, take it back)
Just take it back
(Take it back, take it back, take it, take it back)

I used to believe you
'Til you took my faith (Oh-oh)
I thought I could trust you but I got played (I got played)

And I know now you're just a memory
'Cause our love was goin' down in flames
So I just ripped up all the photographs
And I just wanna say

Whatcha doin', whatcha doin' to me?
Don't be tryin' to hurt someone intentionally (Ah-ah)
I know you're lyin to me, I got the facts
Yeah, I found you out, boy (Oh-oh)

Just take it back
(Take it back, take it back, take it, take it back)
Just take it back
(Take it back, take it back, take it, take it back)
Just take it back
(Take it back, take it back, oh-oh, take it, take it back)
Just take it back
(Take it back, take it back, take it, take it back)

When I see you around
You turn and walk away (Walk away)
And act like you didn't see me (See me)
So I just pretend my heart didn't break (Didn't break)
So it keeps on beating faster
Faster, faster, faster
'Til I can't take it no more

Whatcha doin', whatcha doin' to me?

Don't be tryin' to hurt someone intentionally (Yeah, yeah)
I know you're lyin to me, I got the facts
Yeah, I found you out, boy (Oh-oh)

Just take it back
(Take it back, take it back, take it, take it back)
Just take it back
(Take it back, take it back, take it, take it back)

(Just take it back) Oh-oh-oh
(Just take it back) Oh-oh-oh
Oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh-oh
