

Touch

Ava Max

[Intro]

Ah, na-na-na-na
Ah, na-na-na-na
Ah, na-na-na

[Verse 1]

You, you've been on my mind
Since the other night
I'm still thinking 'bout your smile
Your eyes, your everything
And I wanted you so bad (So bad)
But was holding myself back
Just so I won't get burned this time (Oh, yeah)
Because I believed

[Pre-Chorus]

And you want me and I feel it, boy
'Cause I want you (Want you)
But I'm careful now
'Cause I've been hurt (I've been hurt)
So I've gotta know you for real, for real

[Chorus]

Give me something more
Come and show me that you really care
I don't wanna take a ride if it's goin' nowhere (Nowhere)
Tell me that you're serious 'cause I don't want a crush
I just wanna feel more than your touch
And I feel more than your touch

[Verse 2]

And now that we know that there's a connection (Connection)
We can end the deception (Deception)
And bring down all these walls (Ooh, whoa-whoa)

[Pre-Chorus]

And I know that (Know that) I'm falling hard
And I can't stop (Can't stop) Thinking 'bout you
But now I've (Oh, now I've) Gotta face the truth, oh yeah

[Chorus]

Give me something more
Come and show me that you really care
I don't wanna take a ride if it's goin' nowhere (Nowhere)
Tell me that you're serious 'cause I don't want a crush (Crush)
I just wanna feel more than your touch
Feel more than your touch, feel more than your touch
Feel more than your touch, oh, yeah

[Bridge]

And I know, I know
That this could be so real
And I know, I know
It's just the way I feel
And you'll see, you'll see
I'm gonna come around, boy
So I wanna know if you're for real, boy

[Chorus]

Give me something more
Come and show me that you really care
I don't wanna take a ride if it's goin' nowhere (Nowhere)
Tell me that you're serious 'cause I don't want a crush (Crush)
I just wanna feel more than your touch
Feel more than your touch, oh
Oh, feel more
Feel more than your touch
