

Try Again

Ava Max

He loves me, he loves me not
He loves me, ha, he loves me not
He loves me

I saw your face
And you were looking right back at me
You came my way
And now it's all rushing back to me

How are you, how you been?
Where you living these days?
I saw you moved on with it
Everyone, everything said you needed a change
But can I be honest?

Seeing you again makes me wanna try again
Makes me really wanna try again
Take me back to when we thought it would never end
Can we try and go back to then?
Why you gotta look like that?
Looking like you want me back
'Cause seeing you again makes me wanna try again
Makes me really wanna try again (Try again, try again)

We parted ways
But something brought me back to you
I miss those days
Need to know that you miss 'em too

How are you, how you been?
Where you living these days?
I saw you moved on with it
Everyone, everything said you needed a change (Ha)
But can I be honest?

Seeing you again makes me wanna try again
Makes me really wanna try again
Take me back to when we thought it would never end
Can we try and go back to then?
Why you gotta look like that?
Looking like you want me back
'Cause seeing you again makes me wanna try again
Makes me really wanna try again (Try again, try again)

You make me wanna, you make me wanna
You make me wanna try again
You make me wanna, you make me wanna
You make me wanna try again
You make me wanna
You make me wanna try again
You make me wanna
You make me wanna love again (Love again, love again)

Seeing you again makes me wanna try again
Makes me really wanna try again
Take me back to when we thought it would never end
Can we try and go back to then?

Why you gotta look like that?
Looking like you want me back
'Cause seeing you again makes me wanna try again
Makes me really wanna try again (Try again, try again)

Yeah
Makes me really wanna try again
Yeah
Makes me really wanna try again
