

**(Ben)**

**Avail**

You got me swinging on a rainbow  
Walking around in the rain  
Playing with the raindrops  
I'm doing flip-flops  
Look what words can do

Never thought that I would fall  
Love was not for me  
I wanted to be just a roaming lover  
Being careless, a way to be free

You got me hook line and sinker  
Like a fish on a hook  
Better pull the line in  
Baby I can't win  
Look what words can do
